ELIS SEIS - PO Data Report DRAFT2 - Main report EPA R1 track changes (26Jun14).doc
epar1 comments on 2nd draft of Phys O report 62614.docx

Hi joe,

Attached is the EPA comment letter (EPA R1 only)

And word version with track changes.

Please call me to discuss ..

I am not available until 7/9.

I have stated in my email to cooperating agencies that this phys o study will be coming to them the week after next...

So please send comments to lbg immediately and they have next week to revise the document.
